

2017 PEOPLE OF MANUFACTURING AWARDS TEAM OPERATIONAL EXCELLENCE

In order to help promote operational excellence within Georgia's manufacturing community, the Team Operational Excellence Award was created. Any Georgia manufacturer can nominate a specific project team, of up to 10 employees, that has contributed to achieving operational excellence in the workplace. Examples of applicable projects or accomplishments could include:

- Defect reduction
- Customer service
- Increased throughput
- Customer satisfaction
- Cost reduction
- Order fulfillment

A distinguished panel of judges will review each nomination and select the winning team based upon the following criteria:

- **Innovation** – The team helped bring to fruition a new idea or process that had a significant positive impact on the operations within your facility.
- **Leadership** – The team served as a positive role model for other employees in the organization, through the continual efforts and focus on operational excellence.
- **Employee Engagement** – The team fosters a culture of excellence throughout the organization, effectively engaging and involving employees in operational improvement initiatives.
- **Results** – The contributions of the team resulted in a significant improvement to one or more of your organizations operational KPIs.

In order to nominate one of your teams, please [click here](#) to complete the nomination form. The deadline to submit nominees is 5:00pm EST on August 31, 2017. The winning team will be announced and recognized at the Georgia Manufacturing Summit on October 25, 2017.
